Building Service Worker Training Program

What Is It?

The Building Service Worker Training (BSW) is a free program for **Spanish speaking** individuals who meet the eligibility criteria and want to start a career as a building service worker.

Participants complete 7 weeks of essential skills, language skills, and occupational skills training. This is followed by 3 weeks of on-the-job work experience with local employers. After, participants receive 2 weeks of job search support and follow up.

The program gives the skills, knowledge, and experience needed to enter the building service field!
